Councilmember Gloria Releases 2015 Priorities

SAN DIEGO (January 1, 2015) – San Diego Councilmember Todd Gloria today sent his constituents a new year's message outlining his priorities for 2015.

In it, he states, **"I have been looking forward to 2015 since I began representing District Three on the City Council six years ago. This year will spotlight the centennial celebration of the 1915 Panama-California Exposition in Balboa Park with festivities, programs and legacy improvements like the reopening of the California Tower. It will also focus on a host of important City issues that I'm eager to make progress on with the continued participation of San Diegans."**

Councilmember Gloria included the following key issues on his list of top priorities:

- Fair police compensation
- Comprehensive infrastructure investment strategy
- Responsible budget development
- Earned sick leave implementation
- Homeless program efficacy monitoring
- Climate Action Plan

In addition, Councilmember Gloria anticipates passage of a standardized parklet policy that will encourage development of creative public spaces, a regulatory relief measure aimed at helping small and start-up businesses, and updating the City's non-discrimination language to ensure San Diego's policies reflect tolerance and respect for all people.

"Since joining the City Council in 2008 and through my service as Council President and Mayor, I've tried my best to move San Diego forward and to leave the City I love better than I found it," said Councilmember Gloria. **"I'm proud of the accomplishments we've achieved together and can't wait to celebrate more for you in 2015."**
